RE: Petition of the Office of Regulatory Staff for a Declaratory Order against Jacobs-Rabons Communications, LLC and Fiber One Consulting, LLC Requiring Certification as a Telephone Utility (Docket No. 2010-351-C)

Dear Ms. Boyd,

I am writing on behalf of FiberOne Consulting, LLC regarding the above referenced Petition and Rule to Show Cause docket. I am the Chief Financial Officer of Elauwit Networks, LLC (parent company of FiberOne Consulting, LLC) and responding for FiberOne Consulting, LLC's response in this matter.

GS Jacobs Creek, LLC has entered into two (2) Preferred Provider and Marketing Agreements with Time Warner Entertainment/Advance-Newhouse Partnership d/b/a Time Warner Cable. These agreements contemplate Time Warner Cable providing all multi-channel video, high-speed data, phone and other services over its system in the two residential developments known as Jacobs Creek and Rabons Farms in Richland County, Columbia, South Carolina within the next 90 days.

As a result, FiberOne Consulting, LLC will no longer be providing Jacobs-Rabons Communications, LLC with wholesale fixed voice-over-internet-protocol ("VOIP") telecommunications services, FiberOne Consulting, LLC (a special purpose entity solely providing services to Jacobs-Rabons Communications, LLC) will no longer be in existence.

In light of these recent developments and because Jacob-Rabons Communications, LLC will be in existence, no certificate of public convenience and necessity needs to be sought by FiberOne Consulting, LLC. I therefore request that this Petition against FiberOne Consulting, LLC be dismissed.
